

Declare Your Support for ID Day on LinkedIn

Here's How....

1. SAVE THE IMAGE

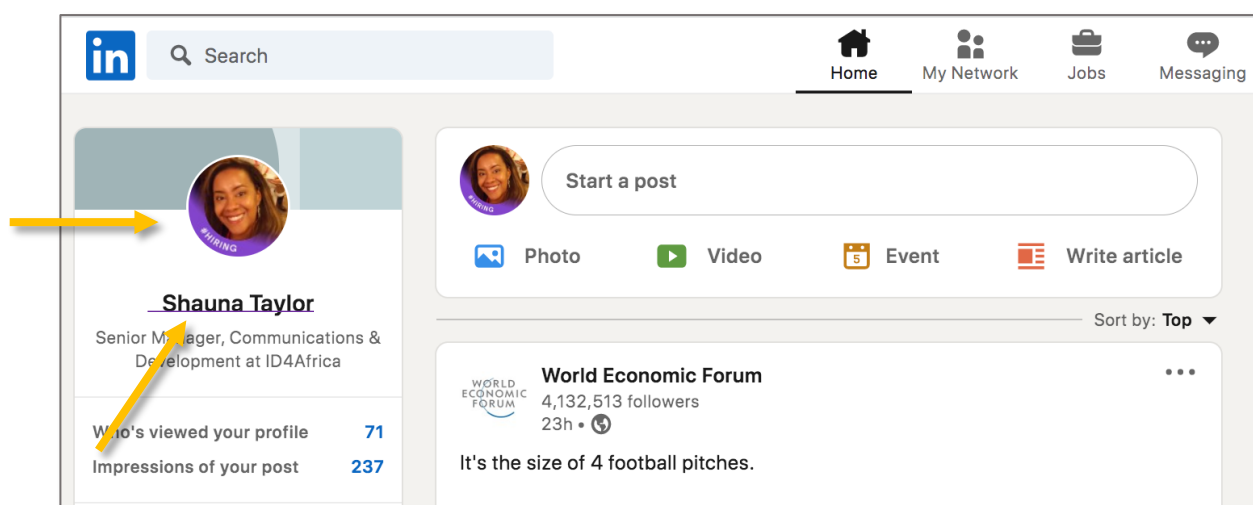

Download the [ID Day LinkedIn graphic](#) from our ID Day website resources page. Save the JPG file in an easily accessible location. <https://www.id-day.org/resources>

2. SIGN IN

Go to www.linkedin.com and sign in to your personal account.

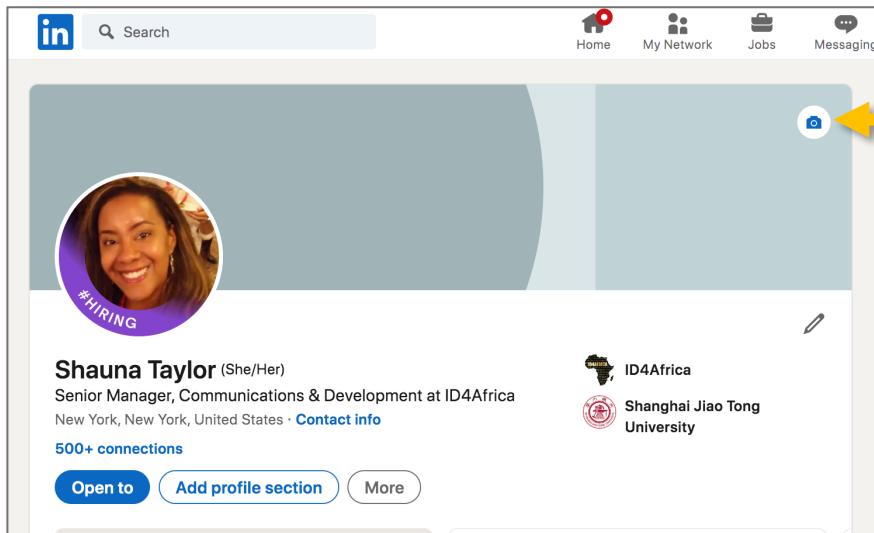

3. OPEN YOUR PROFILE

Click on your name or photo on the left-hand-side of your profile page (see arrows below).

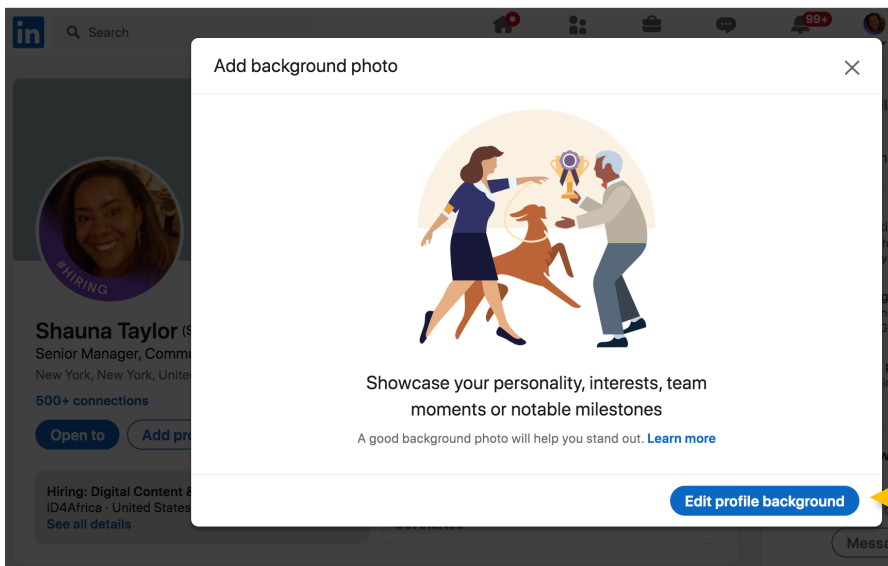

4. ADD YOUR BACKGROUND

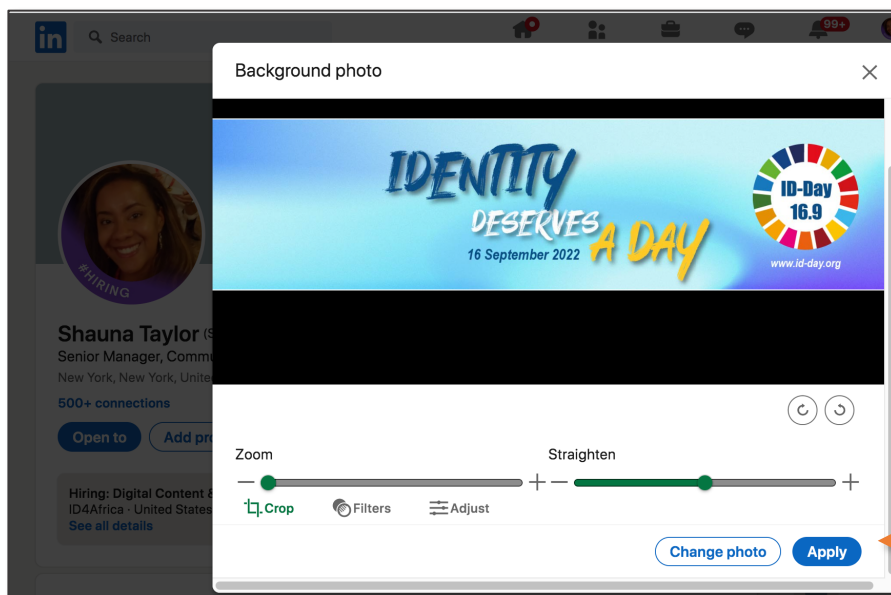

On your profile page, select the **camera icon** on your background frame and follow the prompts provided to add or update your LinkedIn Background.

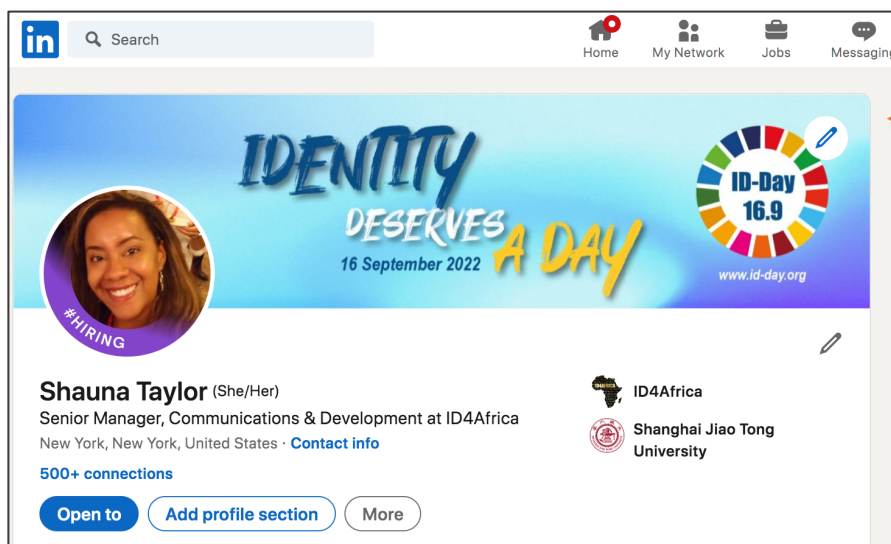

Tap or click on the camera (or pencil) icon on the top right of your background frame.

Select the “**Edit profile background**” button and follow the prompts to upload an image. Select your ID Day JPG file.

Maintain the default settings on your preview box and select **"APPLY"**.

VOILA!
You're all set!

Take your support to the next level

1. Tell us about your update. Post it and tag **"@ID4AFRICA"** on LinkedIn.
2. Spread the word! Invite your LinkedIn network to update their background.
3. Continue to use your background till end-September

MESSAGE SAMPLE:

Hi everyone! Join me and the **@ID4Africa** team in standing for 16 September as Identity Day by updating your LinkedIn profile background to show support. Follow this link for details: <https://www.id-day.org/resources>
